

The International Conference on Construction and Real Estate Management

presents

Bingsheng LIU , Meiqing FU , Geoffrey SHEN , Shuangliang TAI and Shiruo ZHANG

Tianjin University, the Hong Kong Polytechnic University, Harbin Institute of Technology, Missouri University of Science and Technology

with the

Best Paper Award (2017-01)

for the paper

Research on Factors Influencing Project Delivery System selection for Construction Projects

The International Conference on Construction and Real Estate Management

presents

Farshid SHADRAM, Jani MUKKAVAARA, Jutta SCHADE, Marcus SANDBERG and Thomas OLOFSSON

Luleå University of Technology

ICCREM

with the

Best Paper Award (2017-02)

for the paper

**A BIM-Based Method for Analyzing the Trade-off between
Embodied- and Operational Energy**

The International Conference on Construction and Real Estate Management

presents

Yingxin LI, Hongling GUO and Zhihui ZHANG

Tsinghua University

with the

Best Paper Award (2017-03)

for the paper

**A Simplified Method for the Model of Building Groups
in CFD Simulation**

The International Conference on Construction and Real Estate Management

presents

Alexander BOMBECK and Kunibert LENNERTS

Karlsruhe Institute of Technology

with the

Best Paper Award (2017-04)

for the paper

Maintenance of Large Real Estate Portfolios

The International Conference on Construction and Real Estate Management

presents

ICCREM

Ge WANG , Qinghua HE , Xianhai MENG , Tao YU and Xue YAN
Tongji University, Queen's University Belfast, Nanjing University

with the

Best Paper Award (2017-05)

for the paper

Linking Institutional Pressures and Environmental Management Practices in Mega Construction Project: The Mediating Role of Project Managers' Organizational Citizenship Behaviors for the Environment

The International Conference on Construction and Real Estate Management

presents

Oluwaseun Sunday DOSUMU and Clinton AIGBAVBOA
University of Johannesburg

with the

Best Paper Award (2017-06)

for the paper

**Effects of Variation on Project Cost of Selected Building
Projects in Lagos State**

The International Conference on Construction and Real Estate Management

presents

Kailun FENG , **Yaowu WANG** and **Weizhuo LU**
Harbin Institute of Technology, Luleå University of Technology

ICCREM

with the

Best Paper Award (2017-07)

for the paper

The Environmental Performance of Prefabricated Building and Construction: A Critical Review

The International Conference on Construction and Real Estate Management

presents

Shaohua JIANG and Zheng WU
Dalian University of Technology

with the

Best Paper Award (2017-08)

for the paper

**A BIM-Based Code Checking Approach for
Green Construction**

The International Conference on Construction and Real Estate Management

presents

Ming XUE and Hong ZHOU
Xiamen University

ICCREM

with the

Best Paper Award (2017-09)

for the paper

**Risk Identification of Shield Tunnel Construction Based
on Failure Knowledge**

The International Conference on Construction and Real Estate Management

presents

Xuetong WANG, Jiaxuan ZHAO, Weirui XUE and Chen LU
Guangzhou University

with the

Best Paper Award (2017-10)

for the paper

**Research on Social Responsibility of Major Infrastructure
Projects Based on Spiritual Leadership**

The International Conference on Construction and Real Estate Management

presents

Tingting CHEN, Chengshuang SUN and Lijuan LUO
Harbin Institute of Technology

ICCREM

with the

Best Paper Award (2017-11)

for the paper

Research on Developer's Willingness to Use Precast Concrete System Based on Structural Equation Modeling

The International Conference on Construction and Real Estate Management

presents

Chen LU and Zhiwei YU
Guangzhou University

with the

Best Paper Award (2017-12)

for the paper

**A Regional Population Density Model with Poly-Centers:
From the Perspective of Sustainable Development**
