

### Innovative Technology and Intelligent Construction

#### Organized by

Harbin Institute of Technology, China

Louisiana State University, USA

THE HONG KONG  
POLYTECHNIC UNIVERSITY  
香港理工大學

Hong Kong Polytechnic  
University, Hong Kong, China

UNIVERSITY OF  
ALBERTA

University of Alberta, Canada

Luleå University of  
Technology, Sweden

Guangzhou University

Guangzhou University, China

Marquette University,  
USA

Heriot Watt  
University, UK

Karlsruhe Institute of  
Technology, Germany

#### Sponsored by

Construction Institute of the American  
Society of Civil Engineers, USA

The Modernization of Management  
Committee of the China Construction  
Industry Association, China

#### About the Conference

The 2018 International Conference on Construction and Real Estate Management (ICCREM 2018) is jointly organized by Harbin Institute of Technology, Louisiana State University, Hong Kong Polytechnic University, University of Alberta, Luleå University of Technology, Guangzhou University, Heriot Watt University, Marquette University, Karlsruhe Institute of Technology. The conference will be held by Louisiana State University, and will be sponsored by the Construction Institute of the American Society of Civil Engineers (ASCE) and the Modernization of Management Committee (MMC) of the China Construction Industry Association (CCIA). The Conference is a continuation of the ICCREM series, which has been held annually since 2003. Papers of the 2003 to 2012 conferences were included in the ISTP databases or ISSHP databases, and papers of the 2013 to 2016 conference were all included in the EI databases. The papers of ICCREM 2017 have been submitted to ASCE and are waiting to be indexed by EI.

#### Scope & Topics

The conference organizing committee is soliciting a wide range of papers that cover topics on research, practice and education. Papers must be written in English. The following are some of example topics:

- Intelligent Construction and Construction Informatization
- Building Industrialization and Assembly Construction
- Green Construction and Sustainable Construction
- Construction and Real Estate Enterprise Management
- Construction Innovation and Technology Management
- Facility Management
- Partnership and Strategic Relationship
- Knowledge Management
- Project Management
- Real Estate Marketing and Economics
- Building Economy
- Land Use and Management
- Civil and Infrastructure Management
- Construction and Real Estate Education

#### Important Dates

- Abstract submission deadline: Dec. 20th, 2017
- Abstract decision: Dec. 25th, 2017
- Full paper submission deadline: Jan. 20th, 2018
- Acceptance notification including review comments: Feb. 28th, 2018
- Revised full paper (camera-ready) submission deadline: Mar. 20th, 2018
- Date of conference: Aug. 9th-10th, 2018

#### Registration Fees

- Early Bird Registration: \$ 500 per person (before Jun. 1st, 2018)
- Standard Registration: \$ 600 per person (before Aug. 8th, 2018)
- Student Registration: \$ 450 per person (before Aug. 8th, 2018)

Please note:

- (1) The registration fees cover the publication fees of the manuscripts, the fees of attending the conference, the cost of coffee break during the conference and the cost of supper on August 9th, 2018.
- (2) Student registration is only for full-time graduate students.

#### Conference Publications

The papers of ICCREM 2018 will be included in the ASCE database, and then the ASCE Press will submit them to EI. The word-length of an abstract should be about 150 words. All papers must be written using the specified format which is available on the conference website. A final paper should not be less than four pages, but not exceed eight pages. Submissions should be made electronically using an MS-Word file. Please register and submit papers via the conference website ([www.iccrem.com](http://www.iccrem.com)). The papers without the registration fee paid before the deadline (Aug. 8th, 2018) will not be accepted or published. At least one of the co-authors of a paper registers. According to the opinion of reviewers, papers with high quality will be awarded the annual excellent papers of ICCREM.

#### How to Pay the Fees

Pay online via credit card. Please click the link:

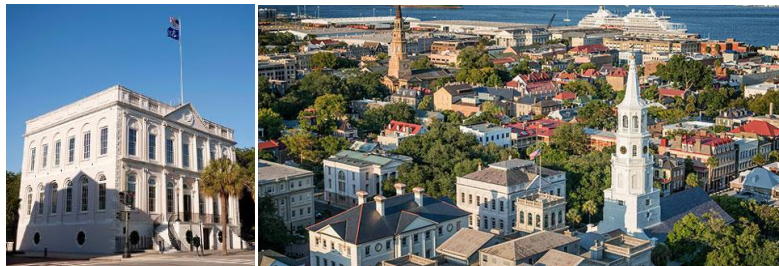

<http://meeting.yizhifubj.com.cn/web/main.action?meetingId=103>

which has been published on the Notice of ICCREM 2018 web site ([www.iccrem.com](http://www.iccrem.com)). Authors from Chinese Mainland (only for them) who want to attend conference must not pay the registration fees through this link, and should pay the registration fees through bank transfer. More details please see [www.iccrem.com](http://www.iccrem.com).

## About Charleston, USA

Charleston is a port city in South Carolina, USA. The city lies just south of the geographical midpoint of South Carolina's coastline. Charleston is located on Charleston Harbor, an inlet of the Atlantic Ocean formed by the confluence of the Ashley and Cooper rivers. Charleston was founded in 1670 as Charles Town, honoring King Charles II of England. Charleston has a humid subtropical climate (Köppen climate classification Cfa), with mild winters, hot, humid summers, and significant rainfall all year long. The main industries include paper making, chemicals, rubber, textiles, food, aircraft components, etc.. Known for its rich history, well-preserved architecture, distinguished restaurants, and mannerly people, Charleston is a popular tourist destination

## Organizing Committee

### *Committee Chairs:*

Prof. Yaowu Wang, Harbin Institute of Technology  
Prof. Geoffrey Q.P. Shen, the Hong Kong Polytechnic University

### *Conference Executive Chair:*

Prof. Yimin Zhu, Louisiana State University

### *Conference Co-Chairs:*

Prof. Mohamed Al-Hussein, University of Alberta  
Prof. Thomas Olofsson, Luleå University of Technology  
Prof. Xiaolong Xue, Guangzhou University  
Prof. Yong Bai, Marquette University  
Prof. Ming Sun, Heriot Watt University  
Prof. Kunibert Lennerts, Karlsruhe Institute of Technology

## About Louisiana State University, USA

Louisiana State University (officially Louisiana State University and Agricultural and Mechanical College, commonly referred to as LSU) is a public coeducational university located in Baton Rouge, Louisiana. The university was founded in 1853. In 2017, the university enrolled over 25,000 undergraduate and over 5,000 graduate students in 14 schools and colleges. LSU is also noted for its extensive research facilities, operating some 800 sponsored research projects funded by agencies such as the National Institutes of Health, the National Science Foundation, the National Endowment for the Humanities, and the National Aeronautics and Space Administration. Louisiana State University is ranked 129th in the national universities category and 62nd among public universities by the 2015 U.S. News & World Report ranking of U.S. colleges.

## Conference Secretariat

### *Conference Secretary-General:*

Assoc. Prof. Qingpeng Man, Harbin Institute of Technology

### *Conference Deputy Secretary-General:*

Assoc. Prof. Hongtao Yang, East China University of Science and Technology  
Assoc. Prof. Xiaodong Li, Tsinghua University  
Assoc. Prof. Chengshuang Sun, Beijing University of Civil Engineering and Architecture
